LETTER OF CONDOLENCE ON THE DEATH OF 56 PEOPLE AT A FOOTBALL MATCH

The Gambia Football Federation (GFF) has learnt with sorrow and sadness, the tragic and untimely death of 56 people following a football match in Nzérékoré.

We have monitored news reports that the football match played on Sunday turned deadly as violent clashes led to a stampede in the match between Nzérékoré and Labe, in the football match that is meant to honour the President Mamady Doumbouya.

On behalf of the President of the GFF, the Executive Committee and staff, I convey our heartfelt condolences and sympathy on this irreparable loss, to not only Guinean football but African football as a whole.

We are also standing with the Guinean Federation in condemning all sorts of violence and hooliganism in football as it has no place in our sport.

Sincerely Yours

Lamin M. Jasse
